

Premium Add-on device for your home

This smart motion sensor, adopts super low power zigBee wireless network design and automatic threshold adjustment technology to enhance the stability of the sensor, efficiently anti-false alarm. Products suitable for safety protection of residential, villas, factories, shopping malls, warehouses, office buildings, banks, computer rooms and other places.

Features

- Standard ZigBee protocol
- Low power consumption design, support battery lifespan up to 3 years;
- Support undervoltage alarm;
- Free tool installation, stick and play;
- Anti-dismantle alarm;

Specification

- Model Number: MIR-IR100-TY
- Working Voltage: DC3V
- Battery Type: CR123A battery
- Battery Life: 3 years
- Detection Radius: 8m
- Detecting Angle: 90°
- Install Height: 2.2m
- Networking Method: ZigBee
- Undervoltage Alarm: Supported
- Working Environment: -10°C ~ +55°C
- Product Size: 48.4x53.4mm
